In our prayers:

The end of the summer vacation season is coming to a close. We are thankful for the time we have had to enjoy the summer season. We are thankful for the rain we have been blessed with.
In this time of 'back to school' children will be headed back to school and after school activities. Pray for the teachers as they prepare lessons. Pray for the bus drivers as they strive to keep the children safe transporting

them to and from school. Pray that the schools will be able to raise funds needed to supply the children with needed materials. Pray that the pandemic will not cause absences that will impact the learning.

Pray that Parkview Retirement Village may find enough volunteers that they will not have to close beds.

This week in our prayers we remember all those who have suffered loss.

We pray for those dealing with mental health issues and their families.

Cancer is a cruel disease and we pray that Julie and Jesse may be granted a miracle of healing. Pray for the families as they support Julie and Jesse.

There are many who suffer constant pain and/or illness, we hold them up to our Lord and pray for healing and relief from pain.

Continue to pray daily for guidance for our church, that we may be led to find the pastor that God has chosen to lead us.

Give thanks for the many volunteers we have who make our worship services possible.

We give thanks that Brian and Julie may celebrate 50 years of marriage. We pray that they may be blessed in their marriage and the future.

Give thanks that we may know that God is always with us, that Jesus died so we may be forgiven and that the Holy Spirit guides us. May we feel the presence of our Lord in our daily lives and trust that He will carry us through whatever our circumstance. Praise God from whom all blessings flow.

Jesse and Jenn Strobosser have a blog to keep everyone updated on what is happening with Jesse. Here is a link to the blogs as they are posted: [JesseJenn blog](#)

And even though this is the last weekly update...stay tuned for a fall newsletter with more reflections from the participants. Start thinking about a young adult that might be a good candidate for SoCo '23 (never too soon to recruit.) Thanks to all who were able to help us reach our summer group fundraising goal! Parkview Meadows Christian Retirement Village is in a crisis situation. Without your help we may be forced to close beds! Volunteers are needed in the worst way. If you could see it in your heart to help even in the smallest way, together we will make a difference.
