### **In our prayers:**

This week in our prayers let us be thankful for the education that we receive for our children. We are blessed to have many options for our children, whether it be public school, private school or home school. Pray for our students, teachers, bus drivers and any others involved in the lives of our children. Pray for safety on the roads as school busses will again be transporting children.

Today we give thanks that Brian and Julie are able to celebrate 50 years of marriage. We pray that God may grant healing for Julie so they may yet celebrate more years together.

Continue to pray for Jesse as he waits for results from a scan. Pray that the scan may show improvement.

Give thanks that they were able to have a summer of family time, relaxation and trust that God has a plan.

Pray that the surgery Jake is scheduled for on Sept 13<sup>th</sup> may go well and he can be restored to full health.

Pray also for Lenore as she is once again dealing with cancer.

Continue to pray for Trixie, Gep, Helen, Reta and Noah as well as any others who continue to struggle with constant health issues. Pray also for the families that support them.

We give thanks that the recent technical issues seem to have been solved and we can again worship without technical errors.

We are thankful for the many volunteers who work tirelessly to make our worship services meaningful. As we move into the fall season pray for leaders to be found to implement some programs and/or reach out to the community around us.

Give thanks for our Council and Board of Directors and all the work they do to lead our church. Our calling committee is constantly in our prayers that they may find the Pastor that God has intended for our church. God is with us in all circumstances, He loves us and surrounds us. Praise God for all His blessings.

**Jesse and Jenn Strobosser** have a blog to keep everyone updated on what is happening with Jesse. Here is a link to the blogs as they are posted: [JesseJenn blog](#)

**Youth Justice Project – NewGround** - "God creates each of us by Christ Jesus to join Him in the work He does, the good work He has gotten ready for us to do - work we had better be doing" (Eph. 2:7-10, MSG). For the past 30 years, the NewGround program of Diaconal Ministries Canada (formerly called Operation Manna) has helped over 100 churches in Canada love their community! We now have grants and support for teens and youth groups through our Youth Justice Project! They

can receive up to \$6000 for a project in their local community that addresses an injustice. Our aim is to empower the next generation of justice-seekers! Learn more about this program on our website: [diaconalministries.com/newground/new-ground-youth-justice-project](http://diaconalministries.com/newground/new-ground-youth-justice-project) or email Karla, our NewGround Coordinator, at [kwinham@crcna.org](mailto:kwinham@crcna.org)
