### **In our prayers:**

Thanks that we as a congregation may now meet in person!!

Give thanks that the COVID numbers are decreasing and there is hope that life can return to some sense of normalcy.

Pray for those who still suffer effects from COVID, we pray for Ed, Peter and Mike, that they may heal and be able to resume normal day to day living.

Give thanks for our volunteers, without them we would not be able to have worship services.

Give thanks that our new video equipment has been installed and will make the functioning of our recording/live streaming and live services easier. Pray for more volunteers to help out with the needs of our church.

Pray for Shalom manor, employees are greatly needed, pray for the available positions to be filled.

Pray for the Indigenous people of our country as they deal with the horrors of the residential homes and the discovery of mass graves of children. Pray that we as a nation will stand up and stand with them in their grief. Pray for reconciliation in our nation.

Give thanks for the seasons, that we can enjoy each season and the beauty they bring.

Pray for safe travels for those who travel on vacation or to visit family and friends.

Give thanks above all for our faithful God, for his care and guidance and for the gift of His Son, our Savior.

### **World Renew**

Dignity and Hope in the Face of Human Trafficking - Today, Canada Day Sunday, many of us may have already made plans to create wonderful memories with our children and grandchildren over the summer. But sadly, for many children around the world, their childhoods are taken away from them by human traffickers and the memories they carry are days spent enduring forced labour and abuse. Let's join World Renew to discover how we can help protect vulnerable women and children from falling prey to human traffickers. To donate, call 1-888-WRLD-RNW or go online to: [worldrenew.ca/htpresources](http://worldrenew.ca/htpresources)
